

2022 Annual Infectious Disease Report

Introduction

The data provided below are used to monitor cases of reportable infectious disease in Delaware County. Data includes confirmed, probable, and suspect cases as defined by CDC case definition. For more information on CDC case definitions, please visit the [CDC website](https://www.cdc.gov). Diseases with no cases during 2022 were not included in this report.

Invasive Diseases

	JAN	FEB	MAR	APR	MAY	JUN	JUL	AUG	SEPT	OCT	NOV	DEC	YTD
