

**Supported Housing Aging in Place
Request for Proposal HS-00006 MH
Questions & Responses**

Do the housing options need to be located within Delaware County? **Although consideration will be given to all proposals received, the preference is for an in county program.**

Is the county looking for a response individually for each level of care? (Supported Housing Aging in Place, Full Care Community Residential Rehabilitation, and Extended Acute Care services) Or is the provider to propose one level of care? **Delaware County is currently requesting proposals in response to RFP #HS-00006 MH Supporting Housing Aging in Plance, RFP #HS-00007 MH Full Care Community Residential Rehabilitation, and RFP #HS-00008 MH Extended Acute Care. All are separate Request for Proposals.**

Does the county have a location in mind for the services or is that for the provider to propose? **Interested vendors should submit a proposal and budget on how they would satisfy all aspects outlined in the Request for Proposal.**
